

SAMPLE SCORECARD

NONE OR MORE

	Hole 1	Hole 2	Hole 3	Hole 4	Hole 5	Total
	Par 4	Par 4	Par 3	Par 5	Par 4	
Player A	5	6	3/2	7	7	28
Player B	6	7	4	7	6	30
Player C	7	6	5	6/4	6	30
Player D	5/3	6	4	5/3	7	27
Team Total	-1	0	-1	-3	0	-5

None or more is a great game!! You can't lose on any hole!! You don't have to take any player's score unless with their handicap, their score is less than par. For example, Player D on the first hole had a 5 with 2 dots on a par 4. Therefore, that player was given a 3 on a par 4 which puts them at a -1. Only slash those scores which result in less than par on that hole. (for example, if you have a 5 on a par 4 and your handicap only gives you one stroke on that hole, you will have a 5/4 which is even par.
